

FOUNDATION  
for Science and Innovation

Workshop on  
**Astrophotography Techniques**  
&  
**Basics of Astro-spectroscopy**

**Program Schedule**

**Day 1: 01 February, Saturday**

15:00	Registration desk opens
16:00	Introduction to Astronomy and Telescopes
17:15	Imaging Techniques and Requirements in Astrophotography
18:30	High Tea and discussion
19:00	Stargazing and Setting Telescope and Camera for Image Capturing
21:30	Dinner

**Day 2: 02 February, Saturday**

09:00	Astrophotography Post-processing Techniques: Theory
10:30	High tea and discussion
11:00	Astrophotography Post-processing Techniques: Hands-on <i>Participants should bring laptop. Windows OS.</i>
12:30	Lunch
14:00	<b>Astro-spectroscopy</b> Introduction to Spectroscopy and Astro-spectroscopy
15:00	Hands on - Basic Astro-spectrogram analysis
16:00	<b>Concluding remarks and Certificate distribution</b>
